

My husband has been a resident of Tender Hearts since their opening in September of 2009 and it has been a very positive experience for us. When our family first met with Chris and Rachel they stressed they wanted a family atmosphere, which it truly is. The staff is professional, caring, and friendly. Everyone greets you with a smile and there is always a relaxed, comforting feeling throughout.

The care that my husband is given is wonderful by a qualified and compassionate staff. The residents have nutritious and delicious meals, planned activities, family parties, and the facility is always immaculate and inviting.

My family and I could not have asked for more. Thank you Tender Hearts for all you've done for our loved one and the lasting friendships that we have made.

Sincerely,

Mary Van DeJacht & family
